

The Aim of the Organisation.

The aim of the Australian Eggshell Artists Association is to provide a non-profit organisation of Eggshell Artists using natural eggshells as their chosen medium and open to all eggers, egging suppliers and other interested groups. The organisation shall be, without prejudice or bias, an avenue for members to express their ideas about egging techniques in Australia..

Mission Statement.

The Mission of this Association is to include all Eggshell Artists and all forms of Egg Artistry within a central body which will be responsible for embracing consistent standards of learning and achievements and creating high standards nationally to promote the level of egg artistry to a recognised art form to the general public.

Consistent judging and teaching standards will be established throughout Australia with ongoing instructions to raise these standards in keeping with the rest of the world and to provide qualified judges for all egg artistry competitions throughout the nation.

The establishment of an Achievement of Excellence Awards program that recognises the work of Egg Artists in all forms of Egg Artistry and encourages the individual Egg Artist to improve their art.
